Who is Athens services?

Athens Services is a local,family-owned waste collection and recycling companythat has proudly served the greater Southern California region for more than 65 years. What began as a community-focused hauler has grown into one of the region's most trusted environmental services providers.

What makes Athens a trusted environmental service provider?

What began as a community-focused haulerhas grown into one of the region's most trusted environmental services providers. Today,Athens serves more than 2 million customers across five Southern California counties,partnering with 50+municipalities to deliver innovative,consistent, and high-quality waste solutions.

Why did Athens services sponsor green waste pick-up?

Athens Services sponsored green waste pick-up at our "Climate Day LA" event,which celebrated local solutions to climate change. Having triple stream waste services on-site ensured that our attendees were part of an event that embodied what it communicated.

What is Athens services customer service?

He is a rare,Renaissance man,truly one to be recognized. Athens Services customer service strives to maintain an attitude of total customer satisfaction. In order to achieve this goal,our entire organization has been structured into customer-driven business entities where the quality of service is our obsession.
