How much does a battery replacement cost?

The average cost for a Battery Replacement is between \$409 and \$443. Labor costs are estimated between \$56 and \$82 while parts are priced between \$353 and \$361. This range does not include taxes and fees, and does not factor in your unique location. Related repairs may also be needed.

What is a battery cabinet?

Battery cabinets are a convenient storage solution that encourages staff to maintain the correct handling and storage procedures. By charging and storing batteries in the one location, you are reducing the likelihood of batteries being lost, stolen, damaged or left in unsafe conditions (such as outdoors).

How do you replace a car battery?

For most vehicles, battery replacement is typically fast and easy. First, apply the emergency brake, remove the keys from the ignition and turn off all electrical components. Remove the negative battery cable first, followed by the positive cable. After removing both cables, loosen and remove the holding brackets.

Where can I get a new car battery?
