Family Harmony Festival In conjunction with Brunei Darussalam's National Family Day 16 - 17 Aug

Upon completion by the end of 2026, the project is expected to be the largest SPVPP in Brunei Darussalam, generating an annual output of 64,473,000 kWh, with a potential to offset about ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

Explore Brunei's rich Islamic heritage and cultural landmarks with this concise booklet guide. Featuring iconic sites like Omar Ali Saifuddien Mosque and the Royal Regalia Museum, the ...

Brunei Darussalam boasts a colourful exhibition of fascinating customs and rich nature, with a contemplative respect for religion as well as reverence for its ancient sovereignty, and we'd ...

Catch your first green adventure in Brunei - from jungle treks and picnics in the park to longboat rides into the heart of our pristine rainforests - there's simply so many ways you can enjoy a ...

While trekking along our rainforests, you'll find that Brunei is no short of its rich diversity of wild creatures. Taking residence across various areas of the country, these critters are inherently ...

Discover the beauty of Brunei! Delve into pristine rainforests, marvel at majestic mosques and immerse yourself in our vibrant culture. Plan your adventure today.

Explore Brunei's capital city Bandar Seri Begawan, historic landmarks, majestic mosques and treasured rainforests within the city. Discover mysterious lakes and traverse heritage parks ...

We offer two types of solar containers that differ in design and power output. Besides our flagship, auto-foldable container, we also offer the manual version of this unit.

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, ...

The PFIC25K55P30 is a compact all-in-one solar storage system integrating a 25kW power output, 55kWh energy storage capacity, and 30kWp high-efficiency foldable PV ...

With the reopening of Brunei Darussalam's borders, we welcome everyone to come rediscover Brunei. Before embarking on your journey to "The Abode of Peace", visit this page to check for ...

Folding solar containers replace traditional diesel generators with sustainable green solar energy to reduce diesel use, lower emissions, and allow users to cut energy costs ...

With our pre-configured solar container unit, you can get going quickly, and the folding solar panels for containers can be deployed in less than three hours. Go big with our modular ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency ...
