What is a 2 story container house?

A two-story foot container with a rooftop deck, open layout, and versatile living area. This shipping container house offers ample space for relaxation and entertaining, blending style with modular home innovation. Our two story container home buildings are designed with resilience, sophistication, and efficiency in mind.

What are custom container home design options?

Our custom container home design options empower you to create your dream home from start to finish. Choose from a range of house plans, finishes, and add-ons to align with your vision. Popular upgrades include energy-efficient systems, personalized interiors, and off-grid capabilities.

Are shipping container homes a viable alternative to traditional housing?

You'll Get: A site-specific feasibility assessment by our experts. Research on zoning, permitting, and code requirements in your area. Shipping container homes have been gaining popularity as an alternative to traditional housing in recent years.

Where can I see a prototype of a container house?

Check us out on Fox News! Take a 360° tour inside one of our container homes and find out what makes these customizable houses one of the next big trends in architecture. Our prototype is now on display at: 81 Lancaster Ave (at the intersection of Route 30 and 401) Malvern, PA. You are welcome to visit it!
