How to buy a solar inverter without breaking the bank?

If you want to buy it without breaking the bank, take advantage of the best prices, guarantees and delivery flexibility offered by the number 1 in the sale of photovoltaic products. These photovoltaic inverters transform the direct current of your solar panels into alternating current.

How do I order a solar inverter?

You can choose Paypal,credit card,Klarna,Fintecture or bank transfer. Once your order has been validated,our logistics team will prepare your order. Upon shipment,you will receive a tracking number for your solar inverters. Please check your solar inverter on receipt to ensure the quality of our service. Start installing your solar inverter.

Who makes Solax solar inverters?

Solax is a subsidiary of the very large Sunellite Group in China,which manufactures solar cells,panels and inverters with a strong emphasis on research and development. Perhaps this is why it has been able to produce high quality inverters with advanced features compared to many other Chinese manufacturers.

What type of Inverter should I buy?

This equipment is ideal for installation in residential areas, is highly efficient, reliable and durable. Inverters with single-phase and three-phase alternation current output of 220 and 380 V are readily available in our online store. Three-phase models can be used in homes or industrial sites.
