How many EV charging locations are there in Cebu?

ACMobility has activated 16 new EV charging locations in Cebu, coinciding with its BYD Tech Tour in the province. More details inside.

Where are EV charging points located in Cebu?

The charge points are spread across both urban centers and previously underserved areas, and set up through partnerships with Ayala Malls, GlobalStar, Continuum Mobility Solutions, Prince Stores, City Time Square, and Club Filipino Cebu. In December 2024, ACMobility began charging customers for the use of its EV chargers through its Evro app.

Does Ayala have EV charging stations in Cebu?

The Ayala subsidiary now makes a move to expand its network of chargers beyond Luzon with the activation of 16 EV charging locations in the island province of Cebu. The launch of the new stations coincided with the BYD Tech Tour at SM Seaside City Cebu from April 25 to 27.

Is Cebu a good EV charging partner in Visayas?

"As Cebu takes the lead in the Visayas region, we are building a reliable and inclusive EV charging network that caters to the increasing demand for sustainable mobility." By the end of 2025, the company aims to have established charging stations at over 35 strategic locations in Visayas.
