Mr. A, Mowing at the job site has completed. It could be better if I say: "Mowing was completed at the job site" or "mowing has been completed". But how odd was the original one? Do people ...

In most cases where completed is correct you could say finished instead, but the reverse is not true. Finished [verb]ing usually can't be changed to completed [verb]ing.

Complete: fully constituted of all of its parts or steps, fully carried out, or thorough. Completed: to bring to an end or a perfected status. Therefore, something is complete, or something has ...

The requested modifications have been completed. is better, because you are referring to a continuing action (you finished writing the code, but it will get tested next).

This perhaps reflects a distinction between finished as meaning "got done with" and completed as meaning "made whole"; the author can be understood either to have got done ...

Consider these two ways of saying something: Testing complete. Testing is completed. This is just an example. I want to understand any differences between the two ...

Your two examples Repeat the steps for the next weekly report until the monthly report has been completed. Repeat the steps for the next weekly report until the monthly report is completed. ...

I have completed graduation in 2008 is wrong. You can't use present perfect with specific time expressions, and "in 2008" is specific. As @FumbleFingers says, graduated is a ...

I completed all the tasks assigned. How to convey this ? I have completed all the tasks. or I had completed all
