How much does an AC contactor cost?

Your home will be cool again in a jiffy. Based on the price of parts alone, AC contactors are one of the most affordable HVAC components to replace. You can purchase a new contactor from a hardware store or online retailer for \$15 to \$70.

Where can I buy an AC contactor?

You can purchase an AC contactor from HVAC supply stores, home improvement centers like Home Depot or Lowe's, electrical supply stores, online retailers, or directly from HVAC equipment manufacturers. Are all AC contactors the same? No, AC contactors are not all the same. They vary in several ways:

How much does it cost to replace a contactor?

You can purchase a new contactor from a hardware store or online retailer for \$15 to \$70. There are a few different varieties (for example, single-pole versus double-pole), so if you buy your own, it's important to choose one that matches your current contactor. Labor will account for a majority of the cost to replace a contactor on an AC unit.

Are all AC contactors the same?

No, AC contactors are not all the same. They vary in several ways: It's important to choose a contactor that matches your specific AC unit's requirements, as using an incorrect contactor can void the warranty and may damage your HVAC system.
