Who makes German solar inverters?

Headquartered in Niestetal near the city of Kassel in northern Germany, the SMA Group is easily the biggest player in the German solar inverters, a key unit of all PV plants. Moreover, its total turnover of about EUR 1 billion in 2015 also makes it the market leader globally.

Who makes transformerless solar PV inverters?

After the spin-off from the traditional automotive brand KACO, we used these roots to launch the world's first transformerless solar PV inverter on the market in 1999 - and developed into a leading manufacturer out of conviction for the cause. Make your investment in photovoltaics and battery storage a success story with us today.
