-----

Industrial grade 400Hz to 60Hz single phase frequency converter. Pure sine wave 1-phase 400 Hz 115V output exactly duplicates avionics power. Wide operating temperature ...

The low frequency pure sine wave is able to handle spikes from unstable power supplies in countries where the power system is unreliable. With an auto-frequency detect, this inverter is ...

This inverter is split-phase and will output 110/120 or 220/230/240Vac, and operates at 50 or 60Hz via the SW4 dipswitch on the DC side of the product. This means that this inverter works ...

When you shop online conveniently and securely at AIMS Power, you will discover a huge selection of modified sine and pure sine inverters as well as pure sine inverter chargers.

This high efficiency DC-AC inverter converts 24 Volts DC to 600 Watts of pure sine-wave AC power at 120 Volts, 60 Hz. Features include built-in electronic GFCI, overload protection, low ...

We carry a wide array of 220V or 240 VAC 60 Hz DC to AC power inverters manufactured by Aims and Magnum Energy. 220V or 240V inverters are generally used on appliances such as ...

WZRELB 8000watts pure sine wave power inverter 12V DC to 120V AC provides household power on the go! Free and clean energy used as marine power inverter, vehicle ...

When it comes to 60 Hz Power Inverters, you can count on Grainger. Supplies and solutions for every industry, plus easy ordering, fast delivery and 24/7 customer support.

WZRELB 8000watts pure sine wave power inverter 12V DC to 120V AC provides household power on the go! Free and clean energy used as marine power inverter, vehicle power inverter and industrial power ...

GoHz Inc is a manufacturers-based online shop in AC power supply industry to provide solutions for changing regular grid power frequency (50 Hz, 60 Hz), DC power source to adjustable ...

Whether your well pump is off grid or you need back up power for the pump, the AIMS Power 5000 watt 240vac inverter is a great option. For over a decade, AIMS Power has offered top of ...
