Where is Vodacom launching 5G services in Mozambique?

Maputo, capital city of Mozambique. (Image source: Shutterstock) Vodacom has launched Mozambique's first 5G network. The mobile network operator plans to deploy 5G services at selected sites in Maputo, Matola; the central area of Nampula; downtown Nacala, Manhava, Maquinino and Chipanga neighbourhoods; Beira; and Tete.

Where is Mozambique Telecom launching a 5G mobile network?

Yaounde - Cotonou - Lomé - Dakar - Abidjan - Libreville - Geneva (Ecofin Agency) - In the next few months, Mozambican telecom operator Mozambique Telecom (Tmccl) will proceed to the commercial deployment of the fifth-generation (5G) mobile network with the technical expertise of China's Huawei.

How will 5G impact Mozambique?

The telco's CEO, Nuno Quelhas stated that 5G would help improve the quality of life and promote the growth of the youthful population. "5G would help to expand financial inclusion in Mozambique, as the aim is to cover 75% of the adult Mozambican population by 2025 and make payments through M-Pesa available anywhere in the country," he added.
