Ideal for off-grid living, remote workspaces, or portable storage, this 20ft container office combines strength, convenience, and ...

Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

When the grid is hundreds of feet away (or non-existent), a self-contained power solution is ideal. For instance, specialized units like ...

"The company wants to dispose off the equipment." Is this sentence correct. I am confused whether it is dispose of or dispose off as I see a lot of sentences that use dispose off. ...

Precisely. Someone might, for example, take three days off without asking and then get fired for it. And we would say, for example, "I have three days off" (present or future), "I'm ...

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not). This is about ...

Off Grid Solar container units guarantee security and reliability and allow the engineering team to complete installations in a few days rather than ...

convenience, and sustainability. Whether you need a home office, guest house, ...

When the grid is hundreds of feet away (or non-existent), a self-contained power solution is ideal. For instance, specialized units like the LZY-MS1 Sliding Mobile Solar ...

Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is ...

This ambitious endeavor transforms a standard 20-foot shipping container into a high-capacity, modular, and off-grid power system capable of supporting diverse energy needs.

The 20ft PV container is not just a transportable power unit; it is an effective off-grid energy core that achieves the best balance in energy capacity, mobility and scalability.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

The 20ft PV container is not just a transportable power unit; it is an effective off-grid energy core that achieves the best balance in ...

Mobil-Grid®; 500+ solarfold is a 20 Feet ISO High Cube container, with CSC certification, which integrates a plug and play pre-wired deployable and redeployable solar plant
