Why should you choose ACS Africa container shipping?

ACS Africa Container Shipping's IATA-accredited partners fly your cargo to and from African countries efficiently and successfully. Air freight is the fastest solution when goods must reach their destination quickly. The advantages of transporting your cargo by air include short transit time, high transport security, and reliability.

Can I use a one trip container for storage or shipping?

Any one trip containers we offer will not have been previously used for storage or shipping without us making this expressly clear. All of our basic used shipping containers are sourced in directly from shipping lines and leasing companies.

What is a 10 ft container?

This container type is designed to cater for the storage of different goods in the same container by having doors at both ends. A 10ft container is perfect the size because it's a versatile, sturdy, and cost-effective solution for a small office set up. Perfect for onsite security access or small home offices.
