-----

The company offers a full range of services including customized energy storage systems, lithium battery PACK customization, and modular storage development for clients around the world.

Our proprietary technology makes it possible to create custom battery packs to meet various operating requirements cost-effectively. See our cold temperature-tolerant custom battery ...

We help OEMs transition from overseas production to domestic, automated battery assembly. Our mission is to strengthen American manufacturing ...

We can offer expert technical advice, design and produce high-safety, high-performan lithium battery packs to meet your devices voltage, current, and capacity requirements.

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in custom lithium battery packs designed to ...

Our proprietary technology makes it possible to create custom battery packs to meet various operating requirements cost-effectively. See our cold ...

Your specialist custom lithium-ion battery pack manufacturer. We design and manufacture custom lithium battery packs for diverse industries.

Discover the essential considerations for lithium battery pack customization, from battery cell and BMS selection to cost and lead time for OEM projects.

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in
