-----

The largest battery energy storage system (BESS) project online in Bulgaria is a 25MW/55MWh system commissioned by IPP Renalfa in June 2024 while a 5.1MW/18.7MWh ...

Transformation of AES Galabovo into a large-scale energy storage facility using proven technology implemented in concentrated solar power plants (CSP) using molten salts

storage is hindering Bulgaria in the development of an energy storage market. Furthermore, Bulgaria's energy legislation and grid codes have been historically written with thermal plants ...

Sermatec advances Sino-European green energy collaboration and returns by securing a 430+ MWh energy storage project in Bulgaria.

This event will bring together key stakeholders from across the region to explore the latest trends in energy storage, with a focus on ...

Developers of 82 standalone battery storage projects in Bulgaria, for an overall 9.71 GWh in capacity, got approval for EUR 587 ...

Energy storage plays a critical role in integrating new photovoltaic capacity into the national grid. Bulgaria is already seeing a significant increase in photovoltaic installations ...

Developers of 82 standalone battery storage projects in Bulgaria, for an overall 9.71 GWh in capacity, got approval for EUR 587 million in subsidies from the Ministry of Energy.

The largest battery energy storage system (BESS) project online in Bulgaria is a 25MW/55MWh system commissioned by IPP ...

This investment aims to expand the country's energy infrastructure and support the growing share of intermittent renewable power, particularly from solar and wind.

Once completed, the Tenevo project will encompass a 238 MW solar site alongside the 315 MW/760 MWh BESS and 250 MW of wind turbines, making it Bulgaria's ...

This event will bring together key stakeholders from across the region to explore the latest trends in energy storage, with a focus on the increasing integration of energy storage ...

SUNOTEC, a Bulgarian integrated solutions provider in the solar energy sector, and Sungrow, a China-based PV inverters and energy storage systems provider, have signed ...

SUNOTEC, a Bulgarian integrated solutions provider in the solar energy sector, and Sungrow, a China-based PV inverters and ...
