We guarantee continuous availability in our Warehouses in Sudan. ACO Sudan is a Renewable energy company which was formed in 2020 in partnership between the Egyptian company Arab Consulting Office (ACO) and the Sudanese company MTWA International Investment.

What can Solar do for Sudanese communities?

We design, install and maintain solar systems that empower Sudanese communities and businesses. Reliable off-grid systems for hospitals and clinics; powering critical equipment, lighting and vaccine fridges. Solar water pumping and irrigation for farms; solar cooling for storage; reliable power for agro-processing.

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market.
