Who is switchgear trading company?

Established since 2001 in the UAE, we are a switchgear trading company dealing with the supply of Electrical switchgear products to our large customer base across the country. With our large stocks, global tie -ups, logistics and excellent customer service, we are the preferred supplier in the switchgear market in the UAE and the GCC.

Why should you choose a switchgear company in UAE?

There are many switchgear companies in UAE that deliver top-notch equipment and ensure safe electrical operations. Placed in the low and high voltage planes of the power transformer, it is directly linked to the supply system. This device deactivates for fault clearance, testing, and maintenance.

What does a switchgear company do?

Designing, manufacturing, testing, and supplying of high-quality switchgear products and solutions for various industries and applications. Our team of experienced engineers and technicians work closely with clients to provide customized solutions that meet their specific requirements and budget.

What is a high voltage switchgear?

HV (high voltage) switchgear refers to the power system that operates over 36 kilovolts. When the voltage level rises, arcing will occur due to the highly high switching activity. Due to this, great attention must be given throughout the development of this equipment.
