Who makes portable storage containers?

As a manufacturer of portable storage containers, Mobile Container Sales builds the longest lasting portable storage containers available. Use them as roll off containers with any roll off truck or roll off trailer. Start a new business or use them with your existing business. Buy them once and use them for life.

What is mobile container sales?

Mobile Container Sales manufactures mobile storage container base frame with wheel insert tubes. They can be used as roll off containers or with roll off trailers or trucks. They are easily stackable up to three bins high. Our new roof design is completely sealed to keep the weather out and the stored items safe and secure.

What is the longest lasting portable storage container?

The longest lasting, most durable portable storage containers available. Many years of engineering, research and testing are incorporated into our new 8 ft. 16 ft. and 20 ft. portable storage containers. Versatile enough to be delivered with any type of delivery system and withstand any climate.

What is a 20 & 40 ft shipping container?

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank. Fully customizable to your exact needs. The durable container design is completely waterproof, protects you and your equipment from the elements and any potential security threats.
